

Recommended Apps

The following apps may help your child and inspire them to become Historians, Authors, Mathematicians, Scientist, Linguists etc.....

These apps do not replace our remote learning offer but are an additional resource for you to access if you wish.

Subject and Age	Name of App	Icon	Cost	Blurb
Computing Coding EYFS-KS2	Swift Playgrounds		Free App only available on iOS (Apple)	Swift Playgrounds is a brilliant coding app that makes coding interactive and fun. There may be an alternative for Android users but I haven't been able to test it.
Computing Coding EYFS-KS2	Kodable		Free for 7 days Must cancel subscription otherwise it will charge after 7 days.	Kodable is a fantastic app that teaches coding from the very beginning, making it accessible to all. It also allows pupils with a deeper understanding of computing to access more advanced coding activities tailored to their abilities.
Computing Coding EYFS-KS1	Scratch Jr.		Free	Scratch Jr. is a great app for learning how to code, aimed at younger children. It is entirely free so if Kodable isn't a viable option, I'd try Scratch Jr.
Computing Movie Making	Stop Motion		Free	Really great app for users to be able to create stop motion movies. Very user friendly and can be exported to iMovie to add music and SFX.
Historian Years 4-6	Ancient Rome for Kids		£3.99	Who were the ancient romans? Find out what life was like in Ancient Rome, learn about the Roman empire, the Gladiators, write your age using Roman numerals and more..
Historian Year 6	Ancient Greece for Kids		£3.99	Who were the ancient Greeks? Find out what life was like in Ancient Greece, Learn about the Olympics, Greek mythology and much more.

Historian Years 5 and 6	History- Victorian Britain		£2.99	Who Were The Victorians? Find out about Daily Life in Victorian Britain, follow the timeline and learn about the British Empire as well as the Industrial revolution.
