

8 February 2019

Dear Parents/Carers

Resilient Recyclers Party run the school for the day on Friday 15 February

We are writing to inform you about the plans we have made for all the children at Corsham Primary School on: **Friday 15 February 2019.**

Back in May 2018, the Year 5 Mock Elections took place at Corsham Primary School. The Resilient Recyclers Party won the majority vote, which means that they will be running the school for the day. We have planned some fun activities for your child/ren based around the theme of: *'Recycling plastic'*.

During the course of the day, the children will be participating in the following activities:

1. English - Eco-style 'Rap Battle' for both teachers and children to participate in. We will write a rap on the theme of reuse, reduce and recycle. Classes will then vote for their favourite rap per year group, which will be read out in the final assembly.
2. DT/Science - Competition to design something to help to clean up plastic pollution in the ocean. Certificates will be awarded for the best designs in the following categories: Reception, Key Stage One and Key Stage Two at both Pound Pill and Broadwood sites.
3. PE – which year group/class will be quickest at sorting rubbish into the correct recycling bins? Certificates will be awarded to the winners.

We would like your children to wear green and blue clothes to match our recycling bins. We are asking for a 50p donation per child to support a charity called 'Surfers against Sewage,' who are a conservation group.

We really hope you like our ideas for the day and that your children have lots of fun learning all about being resilient recyclers!

Yours faithfully

Jemima
