Dear Parents and Carers

Parking/Site Barrier Installation at Pound Pill

You will already be aware that we cannot allow parents/carers on site at drop off and pick up times (unless they are disabled badge holders), due to there being no spare parking available and in order to keep the site safe for the children and families.

We are therefore installing a new barrier system over this weekend at the entrance to the school site. Once fully operational, unless you need to enter the site for an official reason or have a disabled badge, you will need to ensure that you park off site on neighbouring roads and walk into school. Entrance will be via an intercom/buzzer system installed at the barrier for both Corsham Primary and Snapdragons Nursery. Please note that there will not be any opportunity to turn around in the road leading up to school and we ask for parents and carers to make anyone who may be picking up children on their behalf, aware of this.

We thank you for your co-operation with this new arrangement and helping us ensure the safety of everyone at Corsham Primary and Snapdragons.

If you have any questions please do not hesitate to contact the school office for more information.

Yours faithfully

Lindsay Fry
