20th May 2015

To all the children at Corsham Primary School

We would like to say a very big thank you for making us so welcome when we came to your school. We are delighted to tell you that you are holders of **UNICEF's Rights Respecting School Award Level 1.**
Congratulations!

We really enjoyed our day with you. During our visit we met many of you and had a very interesting tour of both schools at Pound Hill and Broadwood. You were able to tell us about the importance of rights and respect in your school and you described how you were all working together to achieve the Rights Respecting Schools Award. You explained that the UNCRC is for all children everywhere and described activities you were involved with to help ensure that all children are able to enjoy their rights.

We had meetings with your teachers and they are all very proud of you and of everything you are doing at school to become rights respecting global citizens.

We hope you will be encouraged to go even further and continue your excellent rights respecting work on your journey to the full L2 award. We hope you will act as RRSA ambassadors in your community and continue to work alongside UNICEF to help all children to know about and enjoy their rights.

With thanks and every good wish,

Jilly Hillier
